

Beimaks

All real estate market at one chat

Telegram chat-bot aggregator

@EstateTargetBot

**Almost the whole day
of a modern person,
and especially a realtor,
is spent on the phone
and messengers**

Beimaks

Our Telegram bot covers the entire property market in one place:

 Offers search

 Contact with seller

 Contact with buyer

 Publication of offers from clients

The work of the bot looks like this:

@EstateTargetBot

Search and buy

Publication

@EstateTargetBot

You will receive

Beimaks

Contact base in one app

Correspondence with the seller or the buyer will not be lost in dozens of messengers

Detailed filtering of proposals

Efficient use of working time

Saving marketing budget and training time with new employees

Beimaks
